## Summer Reading Program 2010

Saturday, June 19 - Saturday, July 31

For Babies - Kids Entering 8th Grade

This six week program promotes reading as a fun activity during the summer. For the youngest children, it encourages parents to read aloud, thus establishing the fundamental building blocks of reading and language. For older children, it helps to maintain or improve reading skills in a fun and exciting way over the summer break.

**SRP is made possible through the generous support of  
the Friends of the Arcadia Public Library and our sponsors in the community.**

1. Download the rules and reading log (where you'll keep track of the hours you're reading or being read to).
2. Beginning June 13, register online at <http://library.ci.arcadia.ca.us>.
3. READ, READ, READ!
4. Beginning Monday, June 21, come in weekly to report your hours spent reading, get fun prizes, and more.
