

Teen Summer Reading Program Guidelines

Make Waves at Your Library!

Read and be eligible to win weekly drawings and a most excellent grand prize!

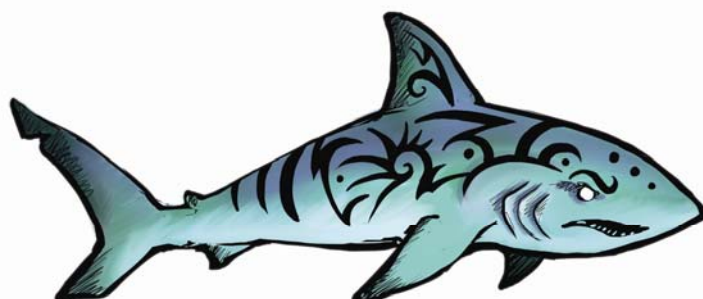

What do I do?

From June 13 through July 24 register either online on the library homepage or in person at the Adult Reference Desk.

Read as many books as you want. They may be fiction, non-fiction or graphic novels. It does not have to be from this Library. No individual short stories. Short story collections are fine. Have required summer reading for school? Review the books and maybe win a prize!

Pick up review forms from the Reference Desk or complete a review online for each book you read. Turn in your forms to the Reference Desk to be included in the prize drawings.

What are the prizes?

Every Monday a winner will be drawn from the submitted review forms. The winner will get to choose a \$25 gift card from a local store or eatery. The more review forms you submit, the better your chances of winning. And a bonus gift will be awarded to the first 10 teens to submit a book review.

All the non-winning forms from each week are entered into a pot for the Grand Prize drawing for a \$100 gift card.
